## Share Size

I would like a:

\_\_\_\_ Small share for \$325 (*feeds a couple or an individual with a large veggie appetite*)

\_\_\_\_ Regular share for \$600 (*feeds a family of 4 or veggie-crazy couple*)

\_\_\_\_ Large share for \$850 (*feeds a larger family or veggie-loving small family*)

	Small	Regular	Large
Price	\$325/season	\$600/season	\$850/season
Instalment Option	\$100 deposit at sign-up \$100 by April 1 \$125 by June 1	\$100 deposit at sign-up \$250 by April 1 \$250 by June 1	\$100 deposit at sign-up \$375 by April 1 \$375 by June 1

CSAs incur most of their costs before the season even begins. One of the reason CSAs were developed was to help with this problem by offsetting costs at the beginning of the season when funds are needed most. Although an instalment option is provided to break up your costs if necessary, please consider paying the full amount as early as possible. ***All those who pay for the full season by March 15 will receive a bonus jar of honey as a thank-you gift – your support is greatly appreciated.***

Please make cheques payable to Fertile Ground CSA. Post-dated cheques are the best way to pay if you choose the instalment option. Please note: \$25 charge for NSF cheques.

Please mail cheques & registration form to:

## Bulk Orders

I would be interested in ordering bulk amounts of the following when they're in season:

- tomatoes
- beans
- basil
- other herbs
- spinach
- kale
- chard
- fall root/storage crops (potatoes, onions, squash, leeks, pumpkins)
- strawberries
- apples

*\*Note: this isn't a promise on your part - merely an expression of interest to help shape our planting priorities!*

## Other Organics

Please check which, if any, of the following local, organic products you would be interested in purchasing at the CSA pick-up. Some items would require pre-ordering. Again, this isn't a promise, just an indicator for us in our planning.

Regularly	Occasionally	Item
		bread
		eggs
		artisan cheese
		chicken
		beef
		lamb
		pork
		goose or duck
		locally produced flour
		baked goods (sweet treats...)
		honey
		maple syrup
		apple cider
		fruit

## Correspondence

We will be putting together a weekly newsletter with farm news, recipes, weekly crop lists and other interesting tidbits. (The newsletter will also be posted on the website weekly.) Any farm work bees, scheduling changes & bulk order options will also be sent out via email. ***If you gave us your email address, you will be included in the weekly newsletter mail-out unless you opt out below:***

- Please don't include my name in the weekly newsletter email list
- Please don't add my name to Little City Farm's email list
- I don't use email & would appreciate another method of correspondence

I have read & agree to the Membership Agreement on the CSA Information page:
